

Elixir ATV / UTV Oil 5W-50

(07/15/21 edition)

AMALIE Elixir 4T ATV / UTV Oil 5W-50 is designed and tested specifically for the demands of ATV or UTV vehicles. Formulated with synthetic base stocks and a proprietary mixture of additive chemistries; it is designed to offer maximum engine and clutch protection to your power sports equipment. AMALIE Elixir 4T ATV / UTV Oil 5W-50 does not contain friction modifier. It promotes smooth shifting and positive clutch engagement. It will protect your high-revving engine from wear and is designed to remove heat from the lubricating systems quickly and efficiently.

AMALIE Elixir 4T ATV / UTV Oil 5W-50 is designed to provide excellent protection at start-up even in sub-zero weather. Its inherent shear stability resists thinning at high-temperatures. AMALIE Elixir 4T ATV / UTV Oil 5W-50 provides all-season performance and eliminates the need to use different viscosity oils depending upon ambient temperatures.

Benefits

- Excellent Wear Protection
- Outstanding Resistance to Mechanical Shear at High Temperatures and High Loads
- Increased Resistance to Oxidative Breakdown.
- Ideal Wet Clutch Performance
- Peak Horsepower Gains

Typical Physical and Chemical Properties

Kinematic Viscosity @100°C, cSt.....	18.5
Kinematic Viscosity @40°C, cSt.....	84.0
Viscosity Index.....	185
Color.....	Amber 3.0
Specific Gravity.....	0.85
Flash Point, °C	220
Pour Point, °C	-51
Noack Volatility, %Loss.....	7.5
High Temperature High Shear (HTHS), cP.....	5.2

Applications

AMALIE Elixir 4T ATV / UTV Oil 5W-50 exceeds API SM requirements and is recommended for applications requiring JASO MA or MA 2 performance. For use in all ATV/UTV applications requiring the use of 5W-50 engine oil. Please contact your Sales Representative for a full listing of OEM specific applications.

Additional Information

Please use proper handling and care that you would use with any motor oil. Contact your Sales Representative for SDS.
